Subject: Request for Reimbursement of 278 pcs - 500 ml RG Gingelly Oil Distributed Under Secondary Scheme

As per the instructions provided, Gniderton Private Limited implemented a secondary scheme for our retailers, under which 500 ml RG Gingelly oil was offered for every case purchased. Acting on behalf of the company, we executed this scheme at the distributor level and issued the products from our own inventory.

During the month of December, we distributed a total of 278 pieces of 500 ml RG Gingelly oil to 81 customers under this scheme. In line with our mutual understanding and to maintain accurate inventory and financial records, we kindly request reimbursement of the same quantity—278 pieces of 500 ml RG Gingelly oil—from the company.

We are attaching the detailed list of dealer names along with their invoice numbers and the number of pieces given for your reference. Copies of the relevant invoices are also attached for verification.

We appreciate your support and prompt attention to this matter.

Thank you for your continued cooperation.

Sincerely,

GNIDERTON PRIVATE LIMITED
